A Purpose of Form

The Franchise Tax Board created this form to provide carryover information because repealed credits do not have separate credit forms. Use form FTB 3540 to figure and claim a prior year carryover of one or more of the repealed credits listed on side 2. The expiration dates for all of these credits have passed. However,

these credits had carryover features. You may claim these credits **only** if carryovers are available from prior years.

Note: You do not need to complete this form if you must file Schedule P (100, 540, 540NR, or 541), Alternative Minimum Tax and Credit Limitations.

B Credit Carryover

You must use the correct code number (listed to the left of the credit name) when you enter the amount of the credit on your tax return.

Code 184 – Political Contributions Credit Carryover (Individuals only)
You may claim a credit carryover for political contributions you made prior to January 1, 1992, under **former** R&TC Section 17053.14, only if a carryover is available.

Current credits under existing R&TC Sections 17053, 17053.1 and 23605 are figured on Form 3518, Employer Ridesharing Credits. Do not confuse the current credits with the repealed credits listed here.

C Limitations

The credit carryover amount you may claim on your tax return may be limited. Refer to the credit instructions in your tax booklet to see if there are any limitations on the amount of credit carryover you may claim. These instructions also explain how to claim this credit carryover on your tax return.

The credit carryover can not reduce the minimum franchise tax (corporations and S corporations), the alternative minimum tax (corporations and individuals), the built-in gains tax (S corporations) or the excess net passive income tax (S corporations).

Exception: The alternative minimum tax may be reduced by the solar energy credit carryover and the commercial solar energy credit carryover. Get Schedule P (100, 540, 540NR, 541), Alternative Minimum Tax and Credit Limitations.

If the available credit carryover for the current year exceeds the tax, you may carry over any unused amount to succeeding years.
